Puteaux, 23 February 2022 [7:45 pm CET]

The company has decided to postpone, at the latest on 30 April 2022, the publication of its 31 December 2021 financial statements, pending the availability of the various reports and first conclusions of the external (by IGAS and IGF) and independent (by Grant Thornton and Alvarez & Marsal) inspections, scheduled for mid-March and mid-April respectively.

In order to meet its disclosure obligations to the market, the company will issue a preliminary press release on March 11th containing a selection of key financial metrics relating to ORPEA's 2021 financial performance.

The company will communicate subsequently the final dates for the publication of these financial statements and for the meeting with financial analysts initially scheduled for mid-March 2022.
