ORPEA HAS FILED A COMPLAINT AGAINST THE GROUP'S FORMER CHIEF EXECUTIVE OFFICER YVES LE MASNE

On 20 December 2022, ORPEA filed a new complaint, this time against Yves Le Masne, for charges likely to represent misappropriation of company assets or funds, breach of trust, complicity, concealment or laundering.

Yves le Masne was appointed Deputy Chief Executive Officer in 2006, then Chief Executive Officer in 2010.

On 30 January 2022, the Board of Directors terminated his duties as Chief Executive Officer.

This complaint comes after an initial complaint against unnamed persons, filed in April 2022 and regularly supplemented by the company, relating to the actions of certain former managers or employees.

ORPEA is conducting further investigations and will work, as the case may be, on additional complaints that may be filed against the parties concerned. Moreover, it will continue to bring any findings of financial malpractice to the attention of the Public Prosecutor of Nanterre.
